Welcome to Origin Point Brands

Origin Point Brands (OPB) is a global manufacturer, fabricator and distributor of steel, aluminum and other finished goods for the North American Market. Based in Charleston, South Carolina, OPB's mix of products can be fulfilled domestically via truckload, less-than-truckload, small parcel or internationally via direct container. We can tailor deliveries to best suit you and your customers' needs.

We use a team approach when taking care of you and your customers. Our team includes professionals in Sales, Customer Service, Logistics, Marketing, Industrial Design, Graphics, Manufacturing, Product Development, Finance and Technology.

OPB is an industry leader in multiple product categories with trusted brands providing high quality and high value for you and your customers. We look forward to growing our mutual business and building a lasting relationship.

Quality begins at the Origin Point™
